AMBIENT					
One		Pair	Black Ash, White Ash, Walnut	Ambient One is moderate size two-way reflex loaded stand mounter. One goes lower with lowest notes that you can imagine by just looking its size. It is tuned with low Q and together with perfect chosen dampening material it reaches tight, fast and low bass notes.	1495 €
Two		Pair	Black Ash, White Ash, Walnut	Ambient Two is 2.5 half way reflex loaded floorstander. Its lower midrange bass actually works lowest notes with upper midrange/woofer but is filtered off above 140 Hz. So that makes speaker more directive in upper bass, low middle and middle frequencies.	1995 €
Three		Pair	Black Ash, White Ash, Walnut	Ambient Three is real three way reflex loaded design that produces really deep, focused, dynamic bass from its two 6.5 inch paper coned woofers. Mids and highs follow same design as its smaller sisters and is perfect all round speaker for relative sized rooms 20-40 m² for 2 channel audio and also multi channel systems.	2795 €

CLASSIC					
Rebel Two Luumäki Edition		Pair	Oak loft, Black Ash, White Ash	Rebel Luumäki use 22 mm soft dome tweeter that we used in our basic Ceyna model that attain to Stereophiles (USA) recommended component list as class B product.	2995 €
Rebel Three Luumäki Edition		Pair	Oak loft, Black Ash, White Ash	Rebel Three Luumäki is big brother of Rebel Two. Rebel Three uses same cabinet width and 22mm soft dome tweeter and 6,5 inch Seas edge coated reed/paper cone driver as midrange/woofer and we add second similar driver to help with lower notes in 2,5 way structure.	3995 €

SNOW					
Lumi		Pair	Oak loft, Black Ash, Walnut, White Ash	Lumi is a 2-way ported standmount speaker of the Snow Line series. "Lumi" means "Snow" in Finnish, so it should remind you of the story of the Snow Line creation. Winter 2018/2019 was extremely winterish in Finland.	4995 €
Talvi		Pair	Oak loft, Black Ash, Walnut, White Ash	Talvi is a floorstanding 2,5-way model of the Snow Line series. "Talvi" means "Winter" in Finnish. It is a big sister for Lumi. It features a pair of Excel Specially for Penaudio woofers by SEAS, one of them is working strictly for bass under 200 Hz and another one delivers wider range up to 5500 Hz.	7995 €
